

# NEED HELP WITH YOUNG ADULT SERVICES

## THE YOUNG ADULT TRAINING VIDEO SERIES

 **Now Available**

Written and hosted by Michael Cart in consultation with the Young Adult Library Services Association, this series of four videos provides a comprehensive, step-by-step introduction to four essential aspects of young adult services in public and school libraries:

Youth participation  
 Programming for young adults  
 Materials selection and collection development  
 Writing the young adult services plan

Each video is 50-60 minutes in length and is accompanied by a fifty-page handbook filled with additional information that will be invaluable to both generalist and young adult specialist.
